

# Wellpartner CONVERGENCE FAQs

## **How do I unlock specialty claims that currently not accessible?**

Wellpartner's CONVERGENCE combines all the services you receive with our 340B CONFIDENT plus SRx CERTIFIED. You can expand your 340B program by including previously "locked away" specialty prescriptions. This optimized approach to providing 340B program management, claims administration, specialty pharmacy dispensing and health plan coordination that delivers program value, increased community benefit and better patient care.

## **Does 340B create additional paperwork and administrative overhead?**

Wellpartner's CONVERGENCE is specifically designed to minimize additional administrative overhead for contract pharmacies. We provide detailed reconciliation reports semi-monthly to help you monitor program performance. Our system keeps track of inventory dispensed, replenishment orders, wholesale invoices, payments due, and other administrative requirements so you can focus on your customers.

## **What patient conditions does Wellpartner SRx CERTIFIED serve?**

Wellpartner serves patients throughout the United States who have a wide variety of diseases and conditions requiring different Specialty drugs. This includes patients with hemophilia, HIV/AIDS, rheumatoid arthritis, and a wide-ranging list of other conditions requiring specialty services.

## Why is Wellpartner SRx CERTIFIED the Specialty Pharmacy of choice?

Wellpartner's unique approach to Specialty Pharmacy services is built around collaboration with you to ensure what we offer meets the highest standard you expect and that your patient's deserve. Wellpartner is your dedicated partner providing a single point of contact between prescriber, patient and health plan. Our commitment to innovation, coupled with exceptional patient-focused care, makes Wellpartner SRx CERTIFIED the preferred choice for you and your patients.
