

Wellpartner Specialty Pharmacy FAQs

What accreditations does Wellpartner currently hold?

Wellpartner also holds current national accreditation with the Accreditation Commission for Health Care (ACHC) as an Infusion/Specialty Pharmacy, the Verified Internet Pharmacy Practice Sites (VIPPS) program and with The Compliance Team. Wellpartner is certified by the Utilization Review Accreditation Commission (URAC) as a Specialty Pharmacy.

Wellpartner Pharmacy is headquartered in Portland, Oregon and is inspected, accredited, and licensed by the Oregon Board of Pharmacy on an annual basis. Wellpartner also serves as a preceptor site for regional Schools of Pharmacy at Oregon State University College of Pharmacy and the Pacific University School of Pharmacy. Wellpartner's accreditations confirm and reinforce our commitment to process improvement and high-quality standards for the clients we serve.

What clinical services does Wellpartner provide?

Wellpartner clinical services include initial patient assessment, individualized therapy management, adherence monitoring, targeted patient communication and education, proactive refill coordination, and financial and utilization reporting.

What is Wellpartner's process for enrolling new patients?

Wellpartner provides a comprehensive initial assessment for each new patient in order to develop a personalized therapy management strategy. The assessment includes medication regimen review, insurance coverage verification, and coordination of benefits. A clinical pharmacist or member of the clinical team is available 24/7 to address concerns, answer questions or provide advice about your patient's medications.

What patient conditions does Wellpartner Specialty Pharmacy serve?

Wellpartner serves patients throughout the United States who have a wide variety of diseases and conditions requiring different Specialty drugs. This includes patients with hemophilia, HIV/AIDS, rheumatoid arthritis, and a wide-ranging list of other conditions requiring specialty services.
